Re: Right to Travel, Affidavit of Notice – Termination of all Contracts

Dear Honorable Minister Prabmeet Singh Sarkaria;

Concerning the right to travel. It has been brought to our attention that numerous Moorish American nationals are being violated of their rights to freely travel on their ancestral estate by Private Agents Highwaymen. This is also base on false assumption that everyone is a commercial driver and derives from by obtaining a driver license or automobile registration.

As a result, many of them are rescinding and terminating all of their contracts with the PROVINCE OF ONTARIO Inc, MINISTRY OF TRANSPORTATION, SERVICE ONTARIO, and other Political subdivision, which was establishing as foreign de facto Corporate Agencies, Policy Enforcers Highwaymen and personnel.

Many Corporate Agents Policy Enforcers Highwaymen and personnel may be unaware of the contractual nature of auto registration and driver's licenses, which is conceivable that this situation may lead to confrontation between Moorish American nationals and Corporate Agents, Policy Enforcers Highwaymen and personnel.

I ask that you inform yourself and all Corporate Agents, Policy Enforcers Highwaymen and personnel about this matter as soon as possible effective immediately. If you have any question or concern about this subject or regarding the Affidavit of Notice – Termination of all Contracts. You can contact me below.

If there is any further accident involving a Moorish American National after placing the attached Affidavit of Notice on the record. I asked that you contact the Moorish American Consulate.
